## Voting instructions

Name of shareholder (in capital letters)

---

To direct your proxy representative to vote with respect to the proposed resolutions, please indicate the way your proxy representative is to vote by checking (X) the appropriate box below.

**If you do not check any boxes below, your proxy representative will vote FOR the decision proposals contained in the notice to the Annual General Meeting.**

If you check “Abstain from voting” at one or more items, your representative will give an empty vote in these items. In this case, the shares are included in the shares represented in the handling of the item, which is meaningful in resolutions requiring qualified majority (e.g. points 14 and 15). In qualified majority items all shares represented at the Meeting are considered and abstentions thus have the same effect as votes Against/No. Therefore, abstaining from voting affects the voting result. Shareholders should be aware of this, especially if giving a vote against is not their intention.

The shareholder also gives consent to Euroclear Finland Oy to check the shareholder's book-entry account number from the book-entry system, if necessary, in order to record the shareholder's advance votes submitted by the proxy representative.
